MAIL THE COUPON ABOVE AND I WILL SEND YOU A

FREE NURSES BOOKLET and LESSON SAMPLES

What are the opportunities for me in Nursing?

Answer Simply tremendous. Thousands of additional women and men are needed immediately throughout the United States. There are countless openings if you can qualify as a Practical Nurse, non-licensed, Nurses Aide, Nurse Companion, Infant Nurse, Hospital Attendant or as a Ward Orderly.

What background do I need to become a Practical Nurse?

Answer Good common sense and a desire to help others are most important. There are no hard and fast educational or age requirements to keep you from becoming a Practical Nurse. Many of our students have had high school or college training, yet many of our most successful graduates have had only a minimum of schooling and range in age from 17 to 65.

How long is the course of study?

Answer Many of our students complete their course in a few short months. Some are ready for their first cases in a few weeks. And many of our graduates report immediate earnings of up to $65.00 a week. Some, of course, earn much more. Yes, Nursing is one of the few Careers that can offer you a substantial income on a full or part-time basis.

Can I hold my present job while learning?

Answer Of course, because the school comes to you. You study in the privacy and quiet of your own home and at your own speed.

What's the first step? How do I get started?

Answer Simply fill out and mail the coupon above for our FREE booklet "Nursing Facts" We want every question in your mind answered in full. Write today. You will receive an early reply, and learn in detail about how you can qualify for an exciting future as a Practical Nurse.

LETTER AFTER LETTER ABOUT SUCCESS AS PRACTICAL NURSES

Since I started your training I have had over 15 cases including baby cases, mental cases, and post-operative care.

M.E.L., N.S.

I have a wonderful job working for one of our city's leading physicians and I'm making good wages now. Thanks to Post Graduate School of Nursing.

MY SHINING STAR

ing down at me and making my heart flutter, and asked me if I'd go to dinner with him that evening! Although it was something I had long hoped for, I hardly expected Jerry to actually ask me. I muttered a quick acceptance . . . told him my address so he could pick me up after I had had a chance to change for the evening.

I'll never forget that wonderful evening! There were places in New York I had never seen, for I had never had the money to afford such places, nor did the few boys who dated me. But Jerry knew his way about Manhattan . . . and everywhere we went, he was greeted warmly by restaurant managers, waiters, doormen and night club owners. I realized that Jerry had probably escorted many young and glamorous girls to these expensive restaurants and night clubs, and I wondered how I compared to those other girls in his eyes. At least he *had* asked me to go out with him, and that certainly showed that he was attracted to me enough to want to be in my company for the evening and to be seen in the chic public places of the big city.

After dinner, we went to a club and watched some delightful entertainment . . . then we danced as a famous name-band provided the music. Jerry and I danced well together, as though we had been dating like this many times already. And I was in seventh heaven!

After midnight, we were in a club located on the roof of a tall building overlooking Central Park. It was a beautiful night, and after dancing for a while, we strolled out onto the terrace Many of the windows were lit up in the apartment buildings and hotels on the other side of the park, and they made New York look like an enchanted city. We began to talk. I told Jerry why I had come to New York . . . to find fame and fortune as an actress.

"The same old story," he said. "Almost every out-of-town gal in New York came here to become a star . . . instead, most of them are secretaries, assistant

editors, salesgirls. Not that I blame them, of course, for trying to follow their star of destiny to the big city. But how many of them actually make it? Not very many, I'm afraid."

I knew Jerry was right and was being completely sincere in his remarks. At the same time, he was probably trying to tell me that my own "star" would shine no more brightly than it was right now, at this particular point in my life. Perhaps I was destined to be just an editorial assistant, meet a nice boy, fall deeply in love, get married and live happily ever after. Not a bad prospect for a young girl, I had to admit.

And perhaps I knew within my heart that fame and stardom were far beyond my reach. I suppose the realization had come to me at the same time that I had become aware of my growing love for Jerry. But if I was not to have one . . . fame as an actress . . . *would* I have the other . . . the love in return of Jerry Adams?

The answer came moments later, when Jerry turned me toward him, held me close in his arms and said, "You're not the type to become a glamour-gal, putting on an act, trying to be something you're not . . . just hoping to impress the right people so you can get places in the entertainment world. You were meant to be loved by someone who could offer you a lifetime of happiness . . . love and a family. You were meant to be my wife, darling!"

And so, there I was in the arms of the man I had fallen in love with . . . and as he kissed me tenderly, and asked for my answer, all I could say was, "Yes, I'll marry you, Jerry . . . darling" . . . and I knew I had found my *own* special shining star . . . the star that was meant for a girl from a small town, who had really come to the big city to seek love and romance . . . and had *found* it!

INSTANT LIVE SEA ANIMALS

just add water . . . you've got INSTANT LIFE

ONLY $1.00

It's true. Now, right before your eyes — in just 24-72 hours — a happy troupe of hundreds of playful tumbling sea-monkeys (exotic Saskatchewan Brine Shrimp) that are more fun than a sea full of seals. Amaze both children and adults as you watch the comic antics of these fantastic underwater sea clowns. Day and night you'll see them chase each other in a playful game of hide and seek. The loser gets caught by the tail and is spun in a dizzy circle. See the "showoffs" turn somersaults under water . . . see the ticklish ones scratch each others' backs. Watch them cavort singly or glide gracefully in formation creating your own underwater circus.

SEE THEM CHANGE COLOR

Mail this coupon and we'll send you 3 colors of sea-monkeys — white, pink and red. These are their natural colors. Yet, with a drop of vegetable food dye in their water, you can change the color of these little sea monkeys as often as you wish. Make them green, blue, purple, yellow or any other hue or shade without harming them. This dye will enable you to see their internal organs and how their life processes function.

MIRACLE OF LIFE

Right before your eyes these genuine live sea animals burst forth from "magic" powder eggs which will remain alive as long as eight years. You can raise an entire troupe in an ordinary glass jar using just tap water. It's so easy . . . just empty the package into a jar or fish bowl, add water and you have created "instant life." You can have a whole sea brood to give as gifts or sell if you wish.

SEE THEM OBEY YOUR SILENT COMMANDS

Darken the room and watch them follow a flashlight or candle beam forwards, backwards, sideways or around like a pack of happy kids playing follow the leader. Order now.

MONEY BACK GUARANTEE

"Don't let them call You SKINNY"

...advises Beautiful Young Actress... QUINN O'HARA

Appearing in Hall Bartlett's "The Caretakers"
...starring Robert Stack, Polly Bergen and Joan Crawford
A UNITED ARTISTS RELEASE

"In Hollywood, we're really on a merry-go-round schedule during picture making time . . . a girl has to be careful to keep her energy up and her figure fit. Because of the long day we put in, we eat at odd hours or sometimes even miss meals altogether. So I often take pleasant-tasting Wate-On Emulsion as a meal time supplement, and I eat Wate-On Tablets for a quick energy lift between meals. Both forms of Wate-On are super concentrated with calories, vitamins, minerals, quick energy elements and other body building ingredients. If you're skinny and underweight because of poor appetite or poor eating habits, ask your doctor about what Wate-On can do for you. It could be that the boys won't be calling you 'Skinny' anymore."
